

Empower Youth. Engage Parents. Eliminate Substance Misuse

Empower youth. Engage parents. Eliminate substance misuse & abuse.

VISION—MISSION—VALUES

VISION

A healthy and safe Beaverhead County

MISSION

To increase healthy opportunities and decrease substance misuse among youth through collaboration, education, and advocacy

VALUES

STRATEGIC-implementing strategies to achieve short-term, intermediate, and long-term objectives to achieve population-level and policy change

PREVENTION-ORIENTED- making data-driven decisions to address local conditions and using evidence-based strategies to reduce substance use

ACCOUNTABLE-transparent in financial operations and good stewards of resources

SAFETY-FOCUSED-provide substance-free activities for all youth in an environment that supports healthy choices

SUPPORTIVE-modeling healthy behavior for youth

KNOWLEDGABLE-members seek knowledge about the science of the impact of substances and trauma on the developing brain

Empower Youth. Engage Parents. Eliminate Substance Misuse
